I spoke with Nurse Niki and she has faxed her paperwork to Bethesda; however, we must await clearance from Dr Holland, HQ FOH, before authorizing her to deploy. Once we receive this, I will ensure I let you all know.

Subject: H&S Clearance

Trisha –

I got your voicemail, and am happy to hear that the medical hold is only because of paperwork that the nurse needs.

As soon as you get it to her, and Kendra Gomez tells us that you are clear, you can then deploy.

Don't leave until Kendra notifies the REOC that you are cleared to go.

Thanks,
Mike
